### Zone 18 Marksmanship Competition

#### Annex A

#### **BRIEFING**

Good day everyone, I would like to take this opportunity to outline and brief you for the zone competition this year. As this is my Second year organization the competition, I ask for your patience and support as I still continue to learn. I am currently looking for volunteers to assist with the competition. As timings are tight and time at the Armoury will be short, please take the time to read this annex as your briefing along with any other short notes at your arrival on competition day. Electronic Targeting will not be used at this competition. Protests will be conducted in the usual fashion.

Teams will now arrive as per the timings and groupings in Annex E – Based on 1 team submissions and subject to change. All teams will register upon arrival in the usual fashion, Health Cards and Birth Certificates will be presented. Weapons inspection will be performed immediately following registration. Teams will have the usual 30 minute sighting period prior to beginning of relay 1.

Each team will have 1 relay of prone which will be scored for 70 percent of the team overall score. The second relay will be standing consisting of 30 percent of the team overall score. There will be a 15 minute rest period between relay 1 and relay 2.

Following the second relay the next group of teams will be arriving. Group 1 will have an opportunity to as per usual to review targets from relay 1 and 2. Following target review the teams will then depart the venue for home.

This sequencing will continue throughout the day again, as per Annex E.

There will be no awards ceremony, winning teams will be notified through detachment.

No meals or pay will be provided except for units attending over a meal hour – group B. All RULES as per the Marksmanship Manual will remain in effect.
